This report is submitted in strict confidence, and except where required by law, no information provided in this report may be revealed directly or indirectly to any person except to one whose official duties require them to pass on the transaction in relation to which this report was ordered. This report is prepared for purposes pursuant to personal and/or agent selection and human error in compiling this information possible. On-site countywide searches have proven to be the most effective indicator of criminal history, not ordering criminal searches at the county level could put your company at risk. Note: Pre and Post notification requirements under the Fair Credit Reporting Act are required. employeescreenIQ is a Consumer Reporting Agency (CRA) as defined by the Fair Credit Reporting Act.

For criminal records checks in the State of New York, OCA (Office of Court Administration) searches are always recommended. Many on-site county searches in New York include only felony records and often are only searched at the Superior Court level. Misdemeanor criminal records are most often found in "City" and some

"Township" courts and can be missed by researching the Superior Courts. Such records can be accessible by searching the OCA statewide system.

*Due to new court structure the following counties will be FELONY ONLY searches, however they might return misdemeanor convictions: ME: Androscoggin, Hancock, Kennebec, Oxford, Sagadahoc, Somerset, Waldo, Washington & York. MA: Nantucket and Dukes

NOTICE: IF INFORMATION IN THIS REPORT IS OVER 30 DAYS OLD IT SHOULD ONLY BE USED FOR ARCHIVAL PURPOSES.
